## ***Informational Overview***

### ***Delta College Manufacturing Warehouse & Logistics Fast Start™***

***The information below provides an understanding of the program. It is for your reference only and not part of the application.***

The Manufacturing Warehouse & Logistics Fast Start™ job training program is designed for an individual with little to no experience in manufacturing who is seeking an entry level position with the opportunity for advancement.

Employers have a high demand for logistics and warehouse employees with minimum starting pay rates for these roles \$14-\$16 per hour.

#### **Training Program:**

- 62 hours and delivered in approximately 8 training days
- Training topics will include: safety, computer skills, basic math used in manufacturing, hand and power tools, units of measurement, procedure use, communication and interviewing preparation.
- Includes classroom and hands-on training at the Delta College main campus, onsite at a forklift training facility, and online learning in a computer lab. The training runs 8:00am-4:30pm. Due to COVID-19 [safety precautions](#) are implemented on campus and required of all participants to take a daily health screening.

#### **Upon Completion of Fast Start™ You will receive:**

- OSHA 10 hour Safety Card
- Fork Truck Certification
- Delta College Manufacturing Warehouse & Logistics Fast Start™ Certificate of Completion

***Warehouse & Logistics Job Duties:*** main point for movement of materials and packaging of products, prepare raw materials for operations, manually break down pallets of materials and products, arrange, stack and repackage materials, safe operation of a fork lift, knowledgeable and uphold the standards regarding health, safety, and the environment; hands on and management of normal equipment maintenance; calibrate instrumentation; and handling of medium to heavy hand tools. Role titles that perform these duties may be identified in job postings as: logistics technicians, warehouse technicians, reactor care operator, and slimrod care operator.

***Program Selection- the class is limited to 10*** participants. All applicants will be notified by Delta College via the contact email provided on this application if they have been selected to participate in the program. Participants are required to respond to Delta College they still wish to be admitted to the program ***within two days*** of receiving the email from Delta College. Failure to respond may result in your seat being provided to another participant. PLEASE CHECK YOUR EMAIL FREQUENTLY during the application period.

***Cost: \$1,900***

***Financial Support:*** may be available to those who qualify through Michigan Works! For information please contact Ben Guinn (833) 531-1945 ext. 8595, [guinnb@michiganworks.com](mailto:guinnb@michiganworks.com). This program is not eligible for student loans or financial aid.
